

Routes to Cardiff

By Road

Cardiff is served by the M4 and is easily accessible from all parts of Britain. From the south west, take the M5 and from the south of England, follow major A-roads to the M4. From Scotland, the north of England and the Midlands, travel via the M50 to the M4.

**Travelling east on the M4.** Leave the motorway at Junction 32, follow the A470, sign-posted city centre.

**The Cathays Park Campus** – Follow the A470 towards the city centre and the University is sign-posted.

**The Heath Park Campus** – Follow the A470 as far as Gabalfa Interchange. Take first exit onto the A48 (Eastern Avenue), sign-posted Newport and the M4, but immediately exit at the slip road on the left. This leads directly onto the University Hospital site.

**Travelling west on the M4.** Leave the motorway at Junction 29, follow the A48(M)/A48, sign-posted Cardiff East and the South. Continue for approximately seven miles.

**The Cathays Park Campus** – Continue along the A48 to the A470 (Gabalfa Interchange). Leave the A48 at Gabalfa Interchange and take the A470, sign-posted city centre. Follow the A470 towards the city centre and the University is sign-posted.

**The Heath Park Campus** – On the A48, speed reductions will be noticeable from 50 to 40mph. At this time the University Hospital will be visible on the right. Exit the next slip road, sign-posted “University Hospital” and turn right at the traffic lights along a short road leading directly onto the University Hospital site.

Car Parking

**The Cathays Park Campus** – Two Park and Ride services operate in Cardiff – one from the East of the city (£3.00 per car) and one from the West of the city (£3.00 per person). See Map 2 for location. Car parking in the University car parks is extremely limited and a permit is required. However, there are several public car parks located close to the University, all of which are marked on Map 4. There is also pay and display car parking available on Park Place and within the civic centre (along College Road, City Hall Road, King Edward VII Avenue and Museum Avenue).

This typically costs around £3.50 for two hours. Payment is by coin or debit/credit card. Parking in the North Road car park is £5.00 per day. (Charges for city centre multi-storey car parks vary considerably, up to £18.00 per day.)

**The Heath Park Campus** – Limited car parking is available in various car parks.

By Rail / Coach / Bus

High speed inter-city trains provide frequent services between all major British cities. The Cardiff-London service, from London Paddington, runs at 30 minute intervals throughout the day. Frequent services also connect Cardiff with Bristol, Birmingham, Southampton, Manchester, Liverpool and with many other cities and towns. Cardiff is also served by regular coach services from cities and towns across the UK. From Cardiff Central Station there is a frequent train service which stops at Cathays Station (located on the Cathays Park campus). Local bus services also operate from Cardiff Central Station.

**The Cathays Park Campus** – The No 27 service leaves Park Street every 10 minutes throughout the day.

**The Heath Park Campus** – The No 38 service leaves St Mary Street every 10 minutes throughout the day.

By Air

Cardiff Airport is 11 miles from the city centre. Coach and train services operate between Cardiff Central Station and London’s Heathrow and Gatwick airports.
